

## **Inspection of Pärnu-Jaagupi Care Home**

On 29 November 2012 advisers to the Chancellor of Justice paid an unannounced visit to Pärnu-Jaagupi Care Home to inspect the provision of nursing care services.

As a result of the inspection the Chancellor of Justice makes the following suggestions to Pärnu-Jaagupi Care Home to guarantee the fundamental rights and freedoms of persons:

- to immediately stop locking the doors of patients' rooms and to remove locking devices from the doors of persons receiving nursing care which allow for the doors to be locked from the outside without the possibility of opening the door from the inside.
