

## **Inspection of the Kärđla cellblock of the Detention House of the Law Enforcement Office of the Western Prefecture of Police and Border Guard Board**

On 11 September 2012 advisers to the Chancellor of Justice paid an unannounced visit to the Kärđla cellblock of the Detention House of the Law Enforcement Office of the Western Prefecture of the Police and Border Guard Board.

The Chancellor of Justice has no recommendations for the Police and Border Guard Board or the Western Prefecture as a result of the inspection, but it would be reasonable to continue developing the organisation of work in the cellblock to achieve even better results.
