

Inspection visit to South Estonia Care Centre Ltd

On 10 June 2013 advisers to the Chancellor of Justice paid an unannounced inspection visit to South Estonia Care Centre Ltd.

As a result of the inspection visit the Chancellor of Justice makes the following suggestions to South Estonia Care Centre Ltd to protect the fundamental rights and freedoms of persons more effectively:

- to guarantee the existence of an isolation room that meets all the requirements in the department providing 24-hour special care services;
- to guarantee that the number of persons receiving 24-hour special care services in South Estonia Care Centre Ltd at the same time does not exceed the maximum number of persons indicated in the activity licence.
