

Inspection visit to the Psychiatric Unit of Kuressaare Hospital

On 30 April 2013 advisers to the Chancellor of Justice paid an unannounced visit to the Psychiatric Unit of Kuressaare Hospital.

As a result of the inspection visit the Chancellor of Justice makes Kuressaare Hospital the recommendation to guarantee that the register of restraint measures is updated immediately after the application of restraint measures in order to obtain a quick and generalised overview of the application of the restraint measures applied in the Psychiatric Unit for the purposes of guaranteeing the fundamental rights and freedoms of persons.
